

Safeguarding Statement

Sutton and District Training Limited is committed to safeguarding and promoting the welfare of children and expects staff and volunteers to share this commitment.

We have policies and procedures in place that contribute to our safeguarding commitment.

Sometimes we may need to share information and work in partnership with other agencies, when there are concerns about a learner's welfare.

We will ensure that our concerns about our learners are discussed with parents/carers first, unless we have reason to believe that such a move would be contrary to the learner's welfare.

We actively support the Government's Prevent Agenda to counter Radicalism and Extremism.
